

## NetLibrary eAudiobooks

### Grand Prairie ISD now offers eAudiobooks

- eAudiobooks can be found via each school's Horizon Online Catalog ([www.gpisd.org/libraryservices](http://www.gpisd.org/libraryservices)) or NetLibrary ([www.netlibrary.com](http://www.netlibrary.com)).

### To Search using Your campus Webpage via Horizon Library Catalog

- Click your campus webpage / Academics / Library / Library Catalog Horizon
- Horizon Search Possibilities
  - General Keyword
  - Subject Keyword - "Downloadable"
  - Any subject can be combined with General Keyword
  - Title Keyword
  - Dewey Call Numbers
  - Series Keyword
- Collection will show: "Audio Book Downloadable"

### How to Download

- Click on Title you want
- Click on URL: [A downloadable audio book accessible through the World Wide Web; click for information](#)
- This takes you to NetLibrary. Click on Log In at the upper left of screen.
- **If you do not have a NetLibrary account, create an account with a username and password while you are within the GPISD network.**
- If you have an account, Log In
- Select an Option:
  - *Check Out & Download CD Quality* (recommended)
  - *Radio Quality* – only listen from computer, but faster download

### Double Check the format for your portable device Look for Symbol in "Show Details"

- **Protected WMA (Windows Media Audio)**
  - Play on Windows PCs
  - Play on portable devices compatible with protected WMA format.
  - **Cannot be played on iPods or other devices not compatible**
- **MP3 Format**
  - Play on Windows PCs

- Play on portable devices compatible with protected WMA format.
- Play on devices compatible with MP3 format, including iPods.

### How to Search directly from NetLibrary.com

- Existing account holders, Log In
- Basic Search
- Advanced Search
- Search "In Our Collection" box
- Search Subject Centers and Databases
- The search now looks the same as it does via Horizon Search. Download the same way.

### Download to Portable Device (mp3 – not iPod)

- Find the download on your computer. Double click to open in Windows Media Player.
- It will begin to play. Stop the playback. Click Sync. Click Now Playing and drag title to Sync List.
- Click "Start Sync" in lower right corner.
- Or use drop down menu in Sync and "Sync Now Playing".

### Download to iPod

Use iTunes to sync your eAudiobook to iPod

### Renew the eAudiobook

Log in to NetLibrary Account

- Click on Checked Out Items link.
- Click on Download
- Click on Renew your Checkout at bottom of list

### Remove the eAudiobook

- You must manually delete the eAudiobook file from your computer and portable device.
- Delete in same manner as you would other files.
